

Technical drawing of a 4-bladed propeller. The drawing shows the propeller from a side view, with four blades. Dimensions are indicated with arrows and text:

- Overall diameter:  $\varnothing 44,3 \pm 0,2$
- Diameter at the base of the blades:  $\varnothing 40,6 \pm 0,2$
- Hub diameter:  $\varnothing 40$
- Root diameter:  $\varnothing 33,5$
- Weight: Gew. Anf. 4
- Label A points to the blade root area.

A detailed technical line drawing of a car chassis, viewed from above. The drawing shows the engine block on the left, the transmission in the center, and the rear differential on the right. The suspension system, including the front and rear struts and control arms, is clearly visible. The chassis is shown with various mounting points and structural reinforcements.
